

Part 93 CPD: Online Consent Process Guide

When is Consent Required?

* The listed building includes structures attached to listed buildings or in the curtilage of them i.e. boundary walls, Sunday schools, halls etc. Please check with the Conservation Officer

Please note that although a project has Consent (usually that of the District) this does not exempt Managing Trustees from complying with the requirements as to form or procedure imposed by law or the custodian trustees or arising under Standing Order or the Model Trusts.
